

Help us make your dream
our reality.

We're Big Brothers Big Sisters.

We believe every child should have the opportunity to reach his or her full potential, both as individuals and citizens – that by doing so, they will not only do well, they will also do good.

We believe that by changing the course of young lives we can in turn be changing the course of a community's future. That it could lead to a reduction in poverty and unemployment. Or to safer schools and neighborhoods. Or to a renewed optimism for growth. That it could even lead to change on a broader, more far-reaching scale.

We believe that opening a child's eyes to what is – opens their mind to what could be.

For over 100 years, Big Brothers Big Sisters has been making a positive difference in the lives of our youth by developing and implementing a wide range of mentoring programs.

Your legacy gift will help ensure a brighter future for children living in Lloydminster.

Our Vision

What if every child is set on the right path today?

What if every child in Lloydminster finishes high school, goes to college or university, gets a job and gives back to their community?

Wouldn't that be **something**?

Unlocking a child's true potential creates a future where anything is possible.

What we do today makes a difference tomorrow.

As Canada's leading child and youth mentoring charity, Big Brothers Big Sisters facilitates life-changing mentoring programs that inspire and empower children and youth to reach their potential, both as individuals and citizens.

Examples of Legacy Gifts;

Outright Gifts

Gifts of cash are the simplest and most common form of donation. A receipt is issued for the full amount, creating a tax savings in the gift year.

Listed securities are immediate gifts and include stocks, bonds, bills, mutual funds, warrants and futures (traded on approved stock exchanges). There are tax advantages to gifting the securities directly as opposed to liquidating and donating the proceeds.

Charitable Bequests

A bequest is a specific dollar amount or percentage of an estate left to a charity in a donor's will. This is the easiest and most popular form of deferred gift. There are special tax advantages to leaving a bequest, which could significantly reduce the tax payable on the final tax return.

Life Insurance

This deferred gift suits donors who are interested in offering a larger gift than circumstances would normally allow. Ways to give include: transfer ownership of a paid or existing policy, or purchase a new policy naming Big Brothers Big Sisters the owner and beneficiary. Depending on the type of policy, you could receive a donation receipt for the cash value and for each premium paid in the future.

This deferred gift provides income either for life or for a specific amount of time. Property, cash or securities are irrevocably transferred to a trustee, and at the end of that time whatever remains in the trust becomes your gift to Big Brothers Big Sisters. You receive an immediate donation receipt for the actuarially calculated value of the remainder interest.
