8

New Bigs

34

matches

2550

Volunteer hours

29 avg/month

Children on waitlist for Big Brother Big Sister or In School Mentor

74

Inquiries

6

New matches formed during COVID19

Matches met in person until March 27, 2020. COVID19 health restrictions inspired creativity to switch all matches to virtual mentoring. We are under that present format today.

Intake & screening/ training for new volunteers and new families and support for matches has been taking place virtually since March 27, 2020.

In School Mentor Program

8

Matches

20

Volunteer hours

Matches met in person until March 27, 2020. COVID19 restrictions in March closed schools & our In School Mentor matches closed until fall of 2020. Matches are now meeting virtually.

COVID Summer Program

15

Children registered

Activity bags for children were prepared each week for 7 weeks in July & August. Activities were based on weekly theme.

Families helped with weeding & watering our Bud Miller garden plot in July & August

Afterschool Program

27

Registered for start of 2019 school year

17

Avg daily attendance

9 = 96

Volunteers hours

COVID 19 restrictions in March closed Afterschool Program. The program has been running virtually since October 2020. 27 registered families & waitlist children are sent activities for Mindful Monday, Creative Wednesdays and Fit Friday by email each week

Annual Report 2020

FCSS

Thank you to business and individuals that have donated this year.

Christmas Community Support

11 families received hampers

100 Christmas gifts were given out to families on our caseload

35 families received Christmas dinner to go

10 families received gift cards from Westlet

Thank you to everyone for their support that made all of this possible.

Staff Leadership Team

Non-COVID Year

Executive Director
Director of Service Delivery,
Mentoring Coordinator,
Fundraising Coordinator &
½ time Program Assistant

Partial COVID Year

¾ time Executive Director
Full time Director of Service Delivery

Comments from our Families:

I enjoyed the stability & the relationships that the children made while in programming

Confidence building in my daughter helped her mature

Kids have friendly direction, support and non-screen activities

We are so blessed to be apart of your organization
